Extreme CCTV Announces Closing of Arrangement with Robert Bosch

Vancouver, Canada – February 29, 2008 - Extreme CCTV Inc. ("Extreme" or "the Company") (TSX: EXC), a global leader in active-infrared night vision surveillance equipment, announced that it has completed its plan of arrangement with Robert Bosch GmbH ("Bosch") pursuant to which Bosch has acquired all of the issued and outstanding shares of the Company.

Forward-Looking Information

Certain statements herein may contain forward-looking information within the meaning of applicable securities laws. Forward-looking information appears in a number of places and can be identified by the use of words such as "intends" or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. There can be no assurance that forward-looking information referenced herein will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements or information. Also, many of the factors are beyond the control of Extreme. Accordingly, readers should not place undue reliance on forward-looking information and you are referred to the full discussion of Extreme's business and the risk factors associated with Extreme's business contained in Extreme's Annual Information Form dated December 14, 2007, filed with the securities regulatory authorities in British Columbia Alberta and Ontario. All forward-looking information herein is qualified by this cautionary statement. The Company does not undertake to update such forward-looking information except in accordance with applicable securities laws.
